- **Define** what we consider to be unacceptable behaviour, including bullying at the UTC
- Outline **how students are expected to behave** at the UTC
- Summarise the **roles and responsibilities** of different people in the UTC community with regards to behaviour management

2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)
- [Use of reasonable force in schools](#)
- [Supporting students with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

In addition, this policy is based on:

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its students
- Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate students' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate students' property
- [DfE guidance](#) explaining that academies should publish their behaviour policy and anti-bullying strategy online

This policy complies with our funding agreement and articles of association.

5. Roles and responsibilities

5.1 The governing board

The governing board is responsible for reviewing and approving the written statement of behaviour principles (appendix 1).

5.2 The Principal

The Principal is responsible for reviewing this behaviour policy in conjunction with Conduct Manager and DSL, giving due consideration to the UTC's statement of behaviour principles (appendix 1). The principal will also approve this policy.

The principal will ensure that the UTC environment encourages positive behaviour and that staff deal effectively with poor behaviour, and will monitor how staff implement this policy to ensure rewards and sanctions are applied consistently.

5.3 Staff

Staff are responsible for:

- Implementing the behaviour policy consistently
- Modelling positive behaviour
- Providing a personalised approach to the specific behavioural needs of particular students
- Recording behaviour incidents on BROMCOM so behaviours of an individual can be monitored, investigated and sanctioned as appropriate.
- Using the Conduct Intervention Room (CIR) as a resource to enable effective teaching and learning to be achieved, thus upholding the core tenet of 'Teach Not Fix'

The senior leadership team and conduct team will support staff in responding to behaviour incidents.

5.4 Parents

Parents are expected to:

- Support their child to behave in a manner that is conducive to a good learning environment and whilst they are travelling to and from the UTC.
- Inform the UTC of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns with the UTC promptly (Personal Tutor in the first instance)

6. Student code of conduct

Students are expected to:

- Behave in an orderly and self-controlled way
- Show respect to members of staff and each other
- Be kind and supportive to all members of the UTC community – this includes telling staff when they are witness to breaches of this behaviour policy.
- In class, make it possible for all students to learn
- Move quietly around the school
- Treat the UTC buildings and school property with respect
- Wear the uniform at all times
- Accept sanctions when given
- Refrain from behaving in a way that brings the UTC into disrepute, including when outside the UTC

7. Rewards and sanctions

7.1 List of rewards and sanctions

Positive behaviour will be rewarded with:

- Verbal Praise
- Letters, emails, texts, Praise Postcards, BROMCOM entries or phone calls home to parents
- Assembly Prize Draws
- Principal Awards
- Gills Bills
- Student roles – Student Leadership Team

The UTC may use one or more of the following sanctions in response to unacceptable behaviour:

- A verbal reprimand
- Sending the student out of the class for a short 'cooling off' period
- Expecting work to be completed at home, or at break or lunchtime
- A subject detention at break or lunchtime, or at the end of the day
- Community Service
- Referring the student to a senior member of staff or conduct team

- Letters, emails, texts, BROMCOM entries or phone calls home to parents
- Agreeing a behaviour contract
- The CIR is fundamental to the way the UTC tackles incidents of poor behaviour.
- The CIR will be used in response to serious or persistent breaches of this policy. Students may be sent to the CIR during lessons if they are disruptive, and they will be expected to complete the same work as they would in class.
- The CIR can be used to isolate an individual from a series of lessons in a subject, known as Subject Isolation.
- A planned period of time in the CIR for all subjects to de-escalate poor behaviour with the aim of avoiding exclusions. This is known as Curriculum Respite.

The CIR is managed by a member of the Conduct team.

7.2 Off-site behaviour

Sanctions may be applied where a student has misbehaved off-site when representing the school, such as on a school trip, sporting fixture or whilst travelling to or from school. The UTC works closely with the local policing team. The UTC is informed of any police involvement they have with a UTC student. The UTC act on the information to determine if a further sanction is required.

7.3 Malicious allegations

Where a student makes an accusation against a member of staff and that accusation is shown to have been malicious, the principal will discipline the student in accordance with this policy.

Please refer to our safeguarding policy and statement of procedures for dealing with allegations of abuse against staff for more information on responding to allegations of abuse.

Behaviour management

8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom. This is supported by 'The UTC Way'

They will:

- Create and maintain a stimulating environment that encourages students to be engaged
- Display 'The UTC Way' in their classroom for consistency
- Develop a positive relationship with students, which may include:
 - Greeting students in the morning/at the start of lessons

- Establishing clear routines 'The UTC Way'
- Communicating expectations of behaviour in ways other than verbally
- Highlighting and promoting good behaviour
- Concluding the day positively and starting the next day afresh. Unconditional Positive Regard.
- Having a plan for dealing with low-level disruption – this is detailed in the staff handbook.
- Using positive reinforcement
- Referral to the CIR when the learning of the group is compromised by an individual, thus upholding the tenet of 'Teach Not Fix'

8.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a student to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded to the DSL and reported to parents as appropriate

8.3 Searching, Screening and Confiscation

Any prohibited items (listed in section 3) found in students' possession will be confiscated.

These items will not be returned to students.

We will also confiscate any item which is harmful or detrimental to UTC discipline. These items will be returned to students after discussion with senior leaders and parents, if appropriate.

If it is deemed necessary for a search of a student or their possessions to be undertaken, this will be carried out by the Principal, Vice Principal with responsibility for conduct or authorised members of staff only.

Searching and screening students is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#). All searches will be recorded in the UTC Child Protection Online Monitoring System. Parents will always be notified if a search has been undertaken.

If a student refuses to cooperate with a search, the UTC reserves the right to sanction them in line with the UTC Behaviour Policy. The Principal will be made aware and the student may be supervised away from other students. If it is suspected that a student is in possession of any of the items listed in section 3, the Principal or authorised members of staff reserve the right to involve the Police.

8.4 Student support

The UTC recognises its legal duty under the Equality Act 2010 to prevent students with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the student.

The UTC's special educational needs co-ordinator will evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, the school counsellor, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a student, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

9. Student transition

To ensure a smooth transition into the UTC, students have induction sessions at the UTC. In addition, staff members hold parent meetings during the induction period.

To ensure behaviour is continually monitored and the right support is in place, information related to student behaviour issues will be sought from the previous schools. Information on behaviour issues may require a further parent meeting during induction to determine if the UTC is the most appropriate setting to meet the needs of the individual student.

10. Training

Our staff are provided with training on managing behaviour as part of their induction process.

Behaviour management will also form part of continuing professional development.

11. Monitoring arrangements

This behaviour policy will be reviewed by the principal and the Governors every year. At each review, the policy will be approved by the principal.

The written statement of behaviour principles (appendix 1) will be reviewed and approved by the Governors every year.

12. Links with other policies

This behaviour policy is linked to the following policies:

Appendix 1: The UTC written statement of behaviour principles

At UTC we are committed to developing first class professionals. We aim to provide an environment for learning and development that is professional and business like in ethos and approach.

Staff at UTC have high expectations and expect you to conduct yourself professionally. We do recognise though that as a young person, there may be times when you make wrong decisions. When this happens, we will talk to you and offer guidance. For all members of the UTC, actions have consequences and there will be times when you are rewarded or sanctioned appropriately for your actions, in a similar way to an employee with a company.

We expect you to

- Respect all other people, regardless of race, culture, gender and religion, using appropriate professional language at all times, thus creating an outstanding learning environment for all where everyone feels valued and safe;
- Conduct yourself in a quiet, polite and orderly manner;
- Follow the instructions of the teaching and non-teaching staff on the UTC site, visits to other sites and other organised events;
- Follow the UTC uniform/dress code as appropriate to the activities you are involved in;
- Be punctual for the UTC and be in lessons ready to learn at 8:30;
- Remove outer clothing (scarves, coats, gloves) and place in lockers whilst at the UTC;
- Leave lessons only when directed by a member of staff;
- Hand in all work on time;
- Have a pen, pencil, ruler and rubber;
- Have a bag in which to carry books and equipment and rent a locker;
- Look after UTC property, and respect the property of others;
- Be clean and tidy at all times making sure all rubbish is placed in the bins provided;
- Work to the best of your ability during lessons and be willing to take part;

- Make sure home communicates and explains absence from the UTC as outlined in the attendance policy;
- Have mobile phones, iPods and other devices silenced and/or placed in lockers during the UTC day;
- Use ICT equipment within the guidelines of the Acceptable Use policy that you have agreed to.

As with any business, the UTC and the entire site is strictly a no-smoking area (including the use of e-cigarettes/vaping.)

The governing board also emphasises that violence or threatening behaviour will not be tolerated in any circumstances.

This written statement of behaviour principles is reviewed and approved by the Safeguarding Link Governor every 2 years.
